

**BOGDAN KMIECIK, MANAGING DIRECTOR OF NMC POLSKA,  
HONORED AND AWARDED.**

Bogdan Kmiecik, president of NMC Polska and of the handball club Zabrze, was honored to win the “Zabrze Athena award” on March 2nd. This distinction is awarded by the city of Zabrze to people with proven merits in the fields of science and medicine as well as economy and entrepreneurship.

Bogdan Kmiecik became entrepreneur at the young age of 19. Since then, he has and is developing a number of enterprises that provide jobs to hundreds of people of the region. Since many years, he is representing the international company NMC, which is specialized in the production of synthetic foams. The Polish NMC production plant in Zabrze is constantly being expanded and currently recruiting further employees.

He is also a man of sport and returned to his junior sports career by supporting and sponsoring the local handball club, which currently plays in the highest polish division and aims at the Polish titel.

Congratulation to all.

*Next to Bogdan Kmiecik, prof. Krzysztof Wodarski, dean of the Faculty of Organization and Management at the Silesian University of Technology and prof. Maciej Misiotek, dean of the Faculty of Medicine of the Silesian Medical University were also honored with this prize.*
