

*NMC is an international group of companies in the field of synthetic foams, which provides people with comfort and protection for a better life.*

*Spread over 22 locations, 1700 collaborators make their contribution to further growth.*

*We invite you to become part of our team!*

We are looking for a

## IT LEAD FINANCE SYSTEMS (m/f/x)

You will be responsible to manage the business relationship with the Finance community of the NMC Group to improve the business processes and to support the IT business applications, primarily SAP S/4 FICO and ELO ECM Suite.

### YOUR TASKS AND RESPONSIBILITIES

- Manage the business relationship with the Finance community in the NMC Group
- Lead the IT projects for Finance in areas like e.g. accounting, controlling, fixed assets, cash management (all SAP), expense management (Rydoo) or credit control (SmartLink Allianz Trade)
- Analyze business processes, configure IT systems (e.g. SAP, ELO) and provide support for all NMC SAP countries
- Track and report the progress and performance of your IT projects & support
- Establish Key User roles throughout the finance function, provide training to Key Users and keep templates and user documentation up to date

### YOUR PROFILE

- Bachelor's degree in information systems or computer science or equivalent work experience
- Minimum of 3 years' experience with SAP FICO and/or with managing IT projects for Finance
- First experience with IT vendor management
- Excellent command of the English language and fluent in French and/or German
- Willing to travel up to 25% of your time

### YOUR STRENGTHS

- Strong analytical skills and well-structured worker that takes care of details
- Excellent project management skills
- Team worker and fluent communicator with a solution/customer-oriented attitude

### OUR OFFER

- A challenging and responsible position in an internationally growing company with a clear sustainability strategy
- Close cooperation with colleagues from different departments and with divers experience
- A professional working environment with room for your own ideas and interesting development prospects

We look forward to getting to know you. Please submit your application to [jobs.nmc@nmc.be](mailto:jobs.nmc@nmc.be)
