

*NMC is an international group of companies in the field of synthetic foams, which provides people with comfort and protection for a better life.*

*Spread over 22 locations, 1700 collaborators make their contribution to further growth.*

*We invite you to become part of our team!*

We are looking for a

# INTERNATIONAL PROJECT MANAGER (m/f/x)

To lead and execute projects related to process and equipment innovation, productivity improvement and operational excellence on international group level, we are looking for a dynamic and motivated project manager.

## YOUR TASKS AND RESPONSIBILITIES

- Responsibility for product transfer between our European plants
- Implementation and acceleration of new production investments
- Proactively introduce innovative technical ideas and improvements using structured methods to make our industrial processes more competitive
- Carry out ad hoc analysis and research to support local management in implementation.
- Intermediary between the head office and the international factories
- Represent and implement the NMC strategy in terms of operational efficiency and development within our production sites
- Collaborate with the business unit, engineering, R&D, production, maintenance, and external suppliers

## YOUR PROFILE

- Master's degree in engineering
- At least 4 years working experience in a manufacturing/technical environment
- Previous experience in production-/project- and lean-management
- Willingness to travel up to 50%
- Fluent in English (spoken and written), good working knowledge of German and/or French

## YOUR STRENGTHS

- LEAN management
- Strong Leader and communicator with positive and human centred mindset
- Agility and ability to solve problems in a complex environment
- Result-driven, analytical, methodical and hands-on approach
- Open personality, team player attitude and good networking skills

## OUR OFFER

- A challenging and independent position in an internationally growing company with a clear sustainability strategy
- An international and innovative corporation within the group NMC
- A professional working environment with room for your own ideas and interesting development prospects

**We look forward to getting to know you. Please submit your application to [jobs.nmc@nmc.be](mailto:jobs.nmc@nmc.be)**
