

*NMC is an international group of companies in the field of synthetic foams. Spread over 24 locations, more than 1700 collaborators make their contribution to further growth. We invite you to become part of our team!*

To strengthen our R&D department, we are currently seeking a

# SUSTAINABILITY COORDINATOR

(m/f/x)

for supporting the Product Stewardship & Sustainability Manager in implementing, monitoring and continuously developing the NMC Group's sustainability strategy.

## YOUR TASKS AND RESPONSIBILITIES

- **Reporting & Monitoring:** Management and structured preparation of ESG and sustainability data across all sites, including enhancement of key KPIs, dashboards and annual reporting formats.
- **Regulatory requirements & standards:** Monitoring relevant European and international sustainability regulations and supporting internal teams in compliance, audit and certification processes.
- **Internal collaboration & network development:** Establishment of an international sustainability network, promotion of cross site knowledge sharing and organization of workshops and ESG information sessions.
- **Strategic support to the Sustainability Manager:** Preparation of analyses and decision making materials, management of sub projects and support for customer inquiries and sustainability assessments.
- **Contribution to NMC's 2030 sustainability strategy:** Active involvement in fostering a sustainability driven culture, supporting key initiatives such as recycling, decarbonization and energy efficiency, and advancing circular economy and ecodesign projects.

## YOUR PROFILE

- Bachelor's/Master's degree in sustainability, environmental studies, economics, engineering or equivalent experience;
- Experience in ESG, reporting, compliance or environmental management is an asset;
- Strong IT skills, experience with reporting tools is an advantage;
- Excellent German and English proficiency, French is a plus.

## YOUR STRENGTHS

- Analytical and structured working approach, strong data affinity;
- Excellent communication, teamwork and proactive mindset;
- High level of autonomy and ability to manage multiple tasks simultaneously.

## OUR OFFER

- An exciting position in a fast growing international industrial company with a clear sustainability strategy;
- A high degree of autonomy and the opportunity to actively shape strategic, future oriented topics;
- Close collaboration with diverse departments and international teams;
- An attractive compensation package as well as extensive development and training opportunities.

We look forward to receiving your application by email at [jobs.nmc@nmc.be](mailto:jobs.nmc@nmc.be)
